Venger Electrostatic Coatings
6750 51 Avenue NW,
Edmonton, AB T6B 2P4

To whom it may concern:

We have used Venger Electrostatic Coatings (VEC) for a number of years. They offer a fantastic onsite painting solution through their electrostatic coating product. If you have a product onsite that needs to get painted VEC can help you out. We have utilized their services from painting large rolling steel doors to painting racks for our work trucks. The team is very friendly, easy to work with and we highly recommend them

Sincerely,

A handwritten signature in blue ink, appearing to read 'Eric Moody', written over a white background.
